COMPLETION OF FILING REQUIREMENTS - NONPROVISIONAL APPLICATION

Applicants thank the PCT Legal Office for granting Applicants' petition for a filing date in the above-referenced application.

While the petition was being considered, Mr. Niels Rump, the inventor, contacted the office of the German patent attorney with his current mailing address. Therefore, a Combined Declaration And Power Of Attorney was prepared, and the executed document is enclosed.

The late entry fee in the amount of \$130.00 is enclosed. A duplicate of this document is attached. If any additional fee is due, please charge it to Deposit Account No. 50-1848.

Applicant believes that no extension of term is required. However, this conditional petition is being made to provide for the possibility that Applicants have inadvertently overlooked the need for a petition and fee for extension of time.
